On Sunday, the Blast Crew headed over to the Newport Blues Cafe for the Second Annual Laura Jean Fashion Show Fundraiser. The clothes were provided by Closet Revival/Vintage Revival - Marlborough Streets funky consignment shop, and Laura Jean - Newport's upscale denim store.

We listened to local musicians Chelly, Bill & D/I while checking out a great mix of retro and current styles on the runway. We drooled over the hot models, enjoyed complimentary appetizers and crossed our fingers while we bid on some silent auction items. The money raised went to the Autism Speaks Foundation - a very worthy organization. It was a guiltless blast!
